<https://www.indiamart.com/royalequipments/>

Royal Equipment Co. are the leading **Manufacturer, Supplier, Exporter, Importer and Wholesaler** of Commercial Kitchen, Bakery and Refrigeration Equipment, We provide total solutions to the hospitality industry.

About Us

Established in the year **2001**, we, **Royal Equipment Company**, an **ISO 9001:2008** certified company, are one of the distinguished manufacturers, importers, suppliers and traders of a long list of Kitchen Equipment. Our product range consists of Bakery Equipment, Cooking Range and Food Processors that are extremely popular for their rugged construction, longer working life, minimum maintenance, ease of operation and flawless finishing. Owing to the outstanding features, our product selection is extensively popular among our esteemed customers, across the nation. With our hard work and determination, we have earned an unmatched reputation in the business. Furthermore, we cater to the varied needs of our clients, within the promised time.

We have established an excellent infrastructure that is completely equipped with latest and advance technology based machinery, which helps us in performing various operations, in hassle-free manner. In addition to the spacious workspace, we have recruited a team of experienced and qualified professionals, who are capable of understanding & catering to the varied requirements of our prestigious customers, within the committed period. We believe in establishing strong rapport with our customers and in the future, we wish to gain more acceptance in the market, with our regular efforts.

Under the capable leadership of our proprietor, **Mr. Shushil Kumar**, we are enjoying an unmatched reputation in...
